EXECUTIVE SUMMARY:

1342692 BC Ltd. has applied to rezone approximately 0.6 ha (1.5 ac) of land located at 6815 – 204 Street to Comprehensive Development Zone CD-212 to facilitate the development of 143 apartment units in two 4-storey buildings. Additionally, to facilitate the development, the applicant is requesting to amend the Central Gordon Estate Neighbourhood Plan (NP) to redesignate the site from Townhouse A (15 UPA) to Medium Density Apartment (1.5 - 2.5 FSR).

A development permit (Attachment B) is being processed in conjunction with the rezoning application to provide Council the opportunity to review the form and character of the proposed development.

As the proposal is consistent with and supports the overall objectives of the Willoughby Community Plan and Central Gordon Estate NP, staff recommend that Council consider the neighbourhood plan amendment and rezoning request, subject to the completion of nine (9) development prerequisites.

PURPOSE:

The purpose of this report is to advise and make recommendations to Council with respect to Central Gordon Estate NP Amendment Bylaw No. 6093, Rezoning Bylaw No. 6094 and Development Permit No. 101270.

Existing Zoning: Suburban Residential Zone SR-2

Proposed Zoning: Comprehensive Development Zone CD-212

Willoughby Community Plan: Multi-Family

**Central Gordon Estate
 Neighbourhood Plan:** Townhouse A (15 UPA) / Enhanced sidewalk

BACKGROUND/HISTORY:

- The subject lands are currently zoned Suburban Residential Zone SR-2 and designated Townhouse A (15 UPA) / Enhanced sidewalk in the Central Gordon Estate Neighbourhood Plan.
- The Townhouse A designation allows a bonus of up to 40 UPA if underground or structured parking is provided for all units.

DISCUSSION/ANALYSIS:

- The applicant proposes two 4-storey buildings comprised of 143 units at a density of 1.62 FSR.
- To facilitate the development, the applicant has applied to redesignate the site from Townhouse A to Medium Density Apartment (1.5 – 2.5 FSR).
- Staff do not object to the proposal as the current land use designation provides for up to 40 UPA if underground or shared parking is provided. A plan amendment is required to accommodate the proposed change in form from townhouse to apartment.

Adjacent Uses:

	Existing Use	Neighbourhood Plan Designation	Existing Zoning
North & West:	A property under active application (ToL Project No. 08-14-0224) for 100 unit townhouse development	Townhouse (15 UPA)	Suburban Residential SR-2

OFFICIAL COMMUNITY PLAN AMENDMENT AND

South:	68 Avenue, beyond which is a townhouse development	Townhouse (20 UPA)	Comprehensive Development Zone CD-37
East:	A property part of a two-lot assembly currently under active application for 41 townhouse units (TOL Project No. 08-14-0220)	Townhouse (20 UPA)	Suburban Residential SR-2

Community / Neighbourhood Plan Amendment:

- The site is designated as Townhouse A (15 UPA) in Central Gordon Estate NP.
- The applicant has applied to redesignate the site to Medium Density Apartment (1.5 – 2.5 FSR) to facilitate the development.

Zoning Amendment:

- Bylaw No. 6094 proposes to rezone the site to a new Comprehensive Development Zone CD-212 which permits a 1.6 FSR to facilitate the two proposed 4-storey buildings comprised of 143 apartment units.
- The CD-212 zone limits buildings to a 4-storey maximum height.
- The project complies with the provisions of the site's proposed Comprehensive Development Zone CD-212 zoning in terms of siting, site coverage, height, use and density.

Development Permit:

- The subject site is located in Development Permit Area 'B' – Residential (for form and character) in the Willoughby Community Plan. Proposed Development Permit No. 101270 is attached to this report and includes renderings, site plans, building elevations and landscape plans.
- To respond to the grade, adjacent developments and to consider views, the proposed apartment buildings are designed to step down the slope and present a 3-storey form to 204 Street and to the northern property line. Along 68 Avenue, the fourth floor is recessed to present a 3-storey form to 68 Avenue.
- Vehicular access to the site is proposed from 68 Avenue.
- Finalization of the architectural and landscape plans to form the final development permit prior to final reading has been included as a rezoning development prerequisite.

Community Amenity Contributions:

The Community Amenity Contributions (CAC) Policy applies to the subject rezoning and specifies target contribution amounts based on unit types.

Section 5.2.g of the Community Amenity Policy outlines where an application includes an increase in the residential density beyond that established in the plan, an additional \$25 per square foot per Apartment (6-storeys or less) is applicable. The proposed plan amendment results in an additional 42,839 ft² of achievable floor space. Based on current rates, the CAC calculation for this proposal is as follows:

OFFICIAL COMMUNITY PLAN AMENDMENT AND
 REZONING APPLICATION NO. 100267 AND
 DEVELOPMENT PERMIT NO. 101270 (1342692 BC LTD.
 / COMMON GROUND / 6815 – 204 STREET)
 Page 6 . . .

	Count	Rate	Total
Low Rise Apartments (6-storeys or less)	143	\$11,000 / unit	\$1,573,000
FSR exceeding Central Gordon Estate NP max	42,839 ft ²	\$25 / ft ²	\$1,070,975
Total			\$2,643,975

Tree Protection / Replacement:

The applicant has submitted tree management plans indicating the following:

Significant Trees on Site	Significant Trees Retained	Replacement Trees Required	Replacement Trees Provided	Street Trees Provided	Total Trees Post Development
7	0	46	46	11	57

- The landscape plans propose extensive plantings of trees, shrubs, and groundcovers within the site and within road boulevards. Finalization of landscaping details has been included as a development prerequisite.

Policy Considerations:

The proposed Central Gordon Estate Neighbourhood Plan amendment, rezoning and development permit application facilitates:

- development of two 4-storey buildings comprised of 143 apartment units
- an amendment to the plan to redesignate the site to Medium Density Apartment (1.5 – 2.5 FSR)

The proposal is consistent with the overall goals and objectives of the Willoughby Community Plan and Central Gordon Estate Neighbourhood Plan. Staff recommend that Council give first and second reading to Bylaws No. 6093 and 6094 (subject to nine (9) development prerequisites) and authorize staff to schedule the required Public Hearing for Central Gordon Estate Neighbourhood Plan Amendment Bylaw No. 6093 and Rezoning Bylaw No. 6094.

Respectfully submitted,
